

# Summer Center for Future Engineers: Robot Design Checklist for Items to Bring

## Please don't forget to bring the following:

- Appropriate but comfortable clothes and shoes (open toe shoes are not allowed in the labs and workshops for safety)
- Raincoat or umbrella (heavy rain may occasionally occur July)
- Sweatshirt
- Toiletries
- Personal care items
- Towels and washcloths
- Completed "Registration and Medical Information Form"

## Optional Items:

Double-occupancy rooms with linen are reserved for summer center participants on FSU campus. If you would like, you could bring the following items for your convenience.

- Swimsuit if you would like to use the pool
- While a linen service is provided, you could bring your own pillow and linen if you would feel more comfortable
- Recreational equipment
- Personal electronics such as walkman, alarm clock, camera, etc.

While FSU campus is a safe environment, we do not recommend bringing valuables, such as laptop, computer, TV set, DVD player, etc.

Weather information for FSU campus including current and archived data and live Weather cam view is available at the following web page:

<http://www.frostburg.edu/about/weather.htm>

Please check the weather information to bring appropriate and comfortable clothes.

Driving directions to FSU, campus map, and parking information are available at <http://www.frostburg.edu/fsumap/fsumap.htm>.
